**DOGS:** All dogs must be kept on a short lead at ALL times for safety and to comply with local by-laws. There has been an incident of a dog attacking and biting someone, so any owners of a dog not on a lead will be removed for the safety of others. All responsible dog owners will understand the need for this measure. No refund will be issued in these circumstances. Make sure your dog does not cause any nuisance to anyone on site or is left in an unattended vehicle. Any fouling of the camp site or show ground must be cleaned up and disposed of appropriately.

**WATER:** Fresh drinking water is available from stand pipes situated around the field. Please ensure all taps are left securely turned off. Do not allow children to play in this area.
